

**Volunteer Team Captain Orientation:**

The Wheat Ridge Outlet will host a Team Captain orientation on November 7th from 1:00 - 2:00. The orientation will be held at the Wheat Ridge Outlet, one half mile west of Kipling on the North I-70 Frontage Rd. This program is focused on volunteers who can make a short term commitment of 4 - 5 hours per week or bi-monthly. Team Captains will be trained to help run the recycling program at the Outlets, work with donors and help the staff run the store. COME AND JOIN our newest group of volunteers and help the Habitat Outlets to support Habitat Metro Denver in providing safe affordable homes for low income families in substandard housing. Contact Alice at [alice@habitatmetrodenver.org](mailto:alice@habitatmetrodenver.org) if you are interested, or just come in for the orientation.
