Who You Are:

You're someone who people can rely on and you're always there when they need a helping hand. You're most comfortable in jeans and a t-shirt, don't mind getting a little dusty, value repurposing, and thrive in an energetic environment. You're looking for a new position where you can make a difference in your life, your coworkers' day, and the world. In return, you seek an organization that appreciates your individuality and supports you as a member of a diverse and talented team. People often comment how calm, creative, and efficient you are. You are seeking an opportunity to be part of something larger; more impactful. If this sounds like you, please allow us to introduce ourselves.

Who We Are:

Habitat for Humanity of Metro Denver (Habitat Metro Denver) is part of a global, nonprofit housing organization that seeks to put God's love into action by bringing people together to build homes, communities, and hope. Habitat for Humanity was founded on the conviction that everyone needs an affordable, healthy and stable place to live in dignity and safety, and that affordable housing should be a matter of conscience and action for all.

To achieve our vision of a world where everyone has a decent place to live, Habitat Metro Denver builds, renovates and sells homes in partnership with low- and moderate-income families. The organization also works with existing low-income homeowners in formerly red-lined Denver neighborhoods to do critical home repairs. Throughout our 43-year history, Habitat Metro Denver has served more than 2,500 households and is one of the top ten producers in the Habitat U.S. network nationwide.

As an advocate for policies that create and preserve affordable housing, build wealth through homeownership, and stabilize communities experiencing involuntary displacement, Habitat Metro Denver engages the community to be a catalytic force at federal, state and local levels.

How We Succeed Together:

Habitat Metro Denver's **Cultural Blueprint** highlights the specific behaviors and mindsets that support our core values and guide day-to-day decisions, behaviors, and interactions of every person within our organization.
